

STOCK MARKET COLLEGE
LEARN TO TRADE

**YOU ARE A STUDENT...
WELCOME!**

As a student in foreign territory life can be daunting. Follow these guidelines and make the start of your trading journey both exciting and successful.

**STEP
01**

Open your DEMO QuickTrade trading account:

- Trade live prices with monopoly money

**STEP
02**

Open your REAL QuickTrade trading account:

- In order to place a trade your REAL account must be funded

**STEP
03**

Access your online Learning Management System

- Go to stockmarketcollege.co.za and **Student Login**
- Watch the relevant video's to show how to navigate the LMS
- Class recordings available under Training Video's
- All trading tools available under **Resources** eg. trading calculators, margin list

**STEP
04**

Attend Orientation

- Be clear of what is expected of you

**STEP
05**

Attend Portal and Platform Training

- MetaTrader 5 must be loaded on your device/s in order for you to attend

**STEP
06**

Attend CFD lectures

- If you are new to trading it is recommended to attend the CFD lectures before the Forex lectures. If you have a certain level of understanding of how to trade and the concepts of trading, you may attend either CFD's or Forex

**STEP
07**

Attend the Trading Room

- Spend a day or two in the trading room applying your CFD knowledge

STEP 08

Attend Forex lectures

- The ins and outs of trading Forex

STEP 09

Attend the Trading Room

- Once you have attended all lectures attend the trading room as often as possible to learn the ins and outs of analysing the market and placing actual trades

STEP 10

Attend Affiliate training

- Learn how to earn a passive income from multiple streams of income
